

Kibújás vagy bebújás...?

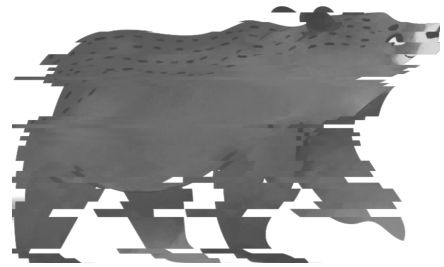

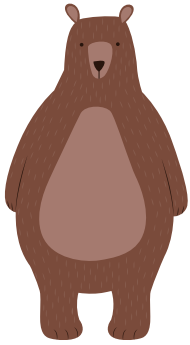

Hol a medve?

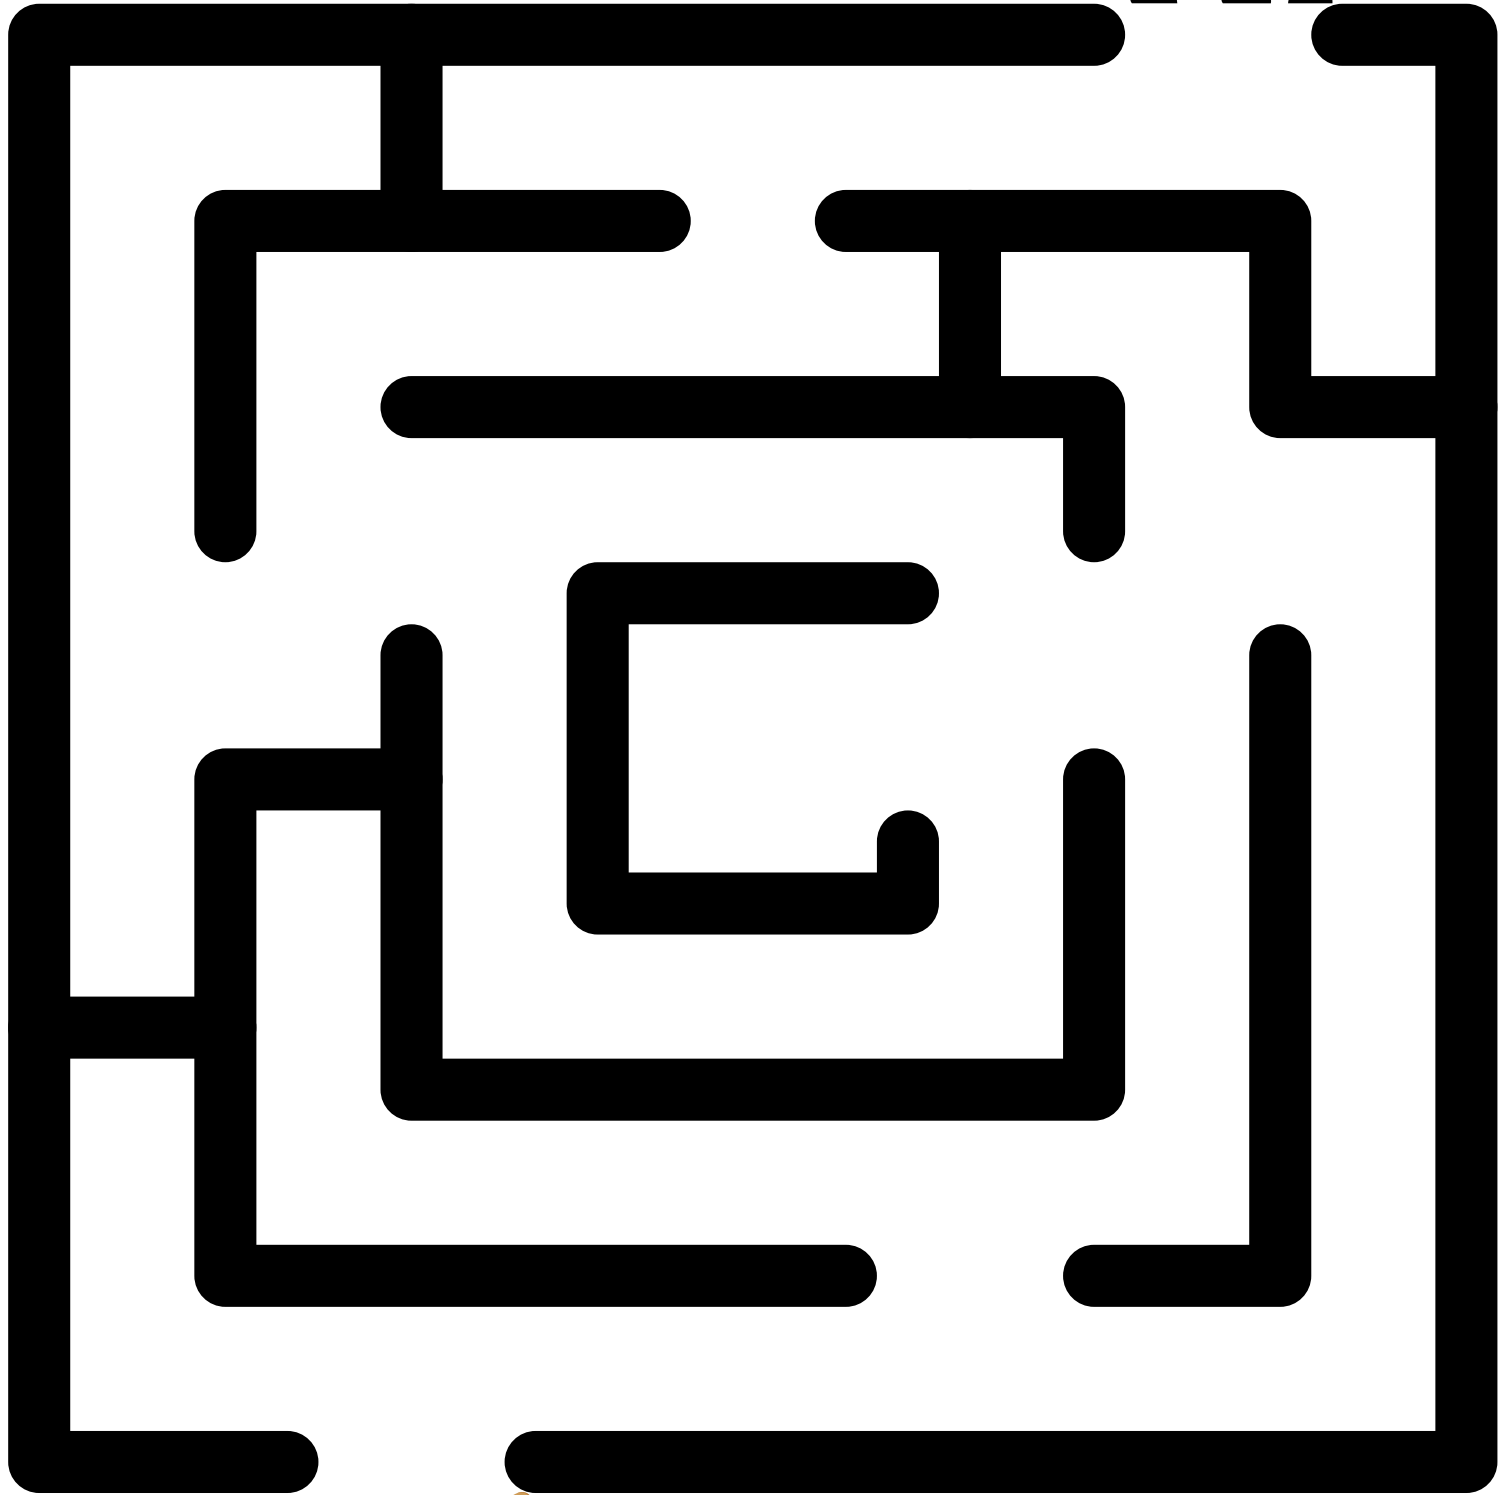

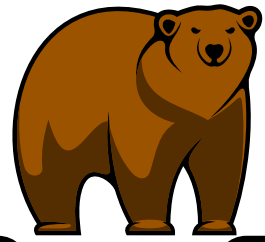

Vágd ki a képeket, és helyezd el a medvéket úgy,
ahogy az előző oldalon látod!

Keresd a párokat!

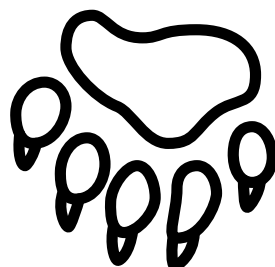

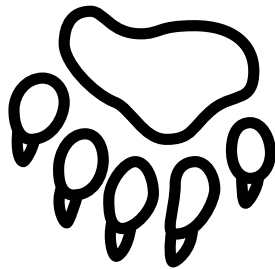

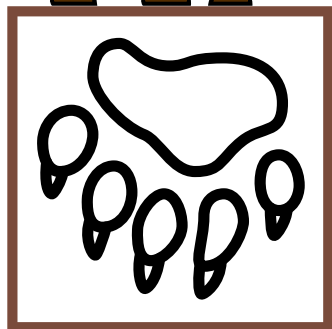

Segíts a medvének eljutni a
mézhez!

A medve mézet szeretne enni. Csak lefelé mutató
tappancsokra léphetsz!

Egészítsd ki a képet, rajzold meg a macit!
