HOL LÁTOD A KÉPEKET?

[red circle, pink circle]

[.....,]

[.....,]

[.....,]

[.....,]

[.....,]

oszlop sor

[.....,]

[.....,]

[.....,]

[.....,]

[.....,]

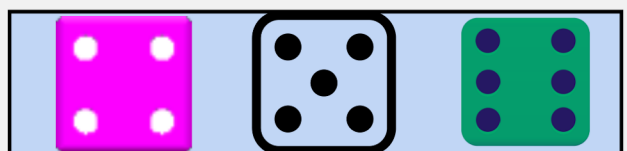

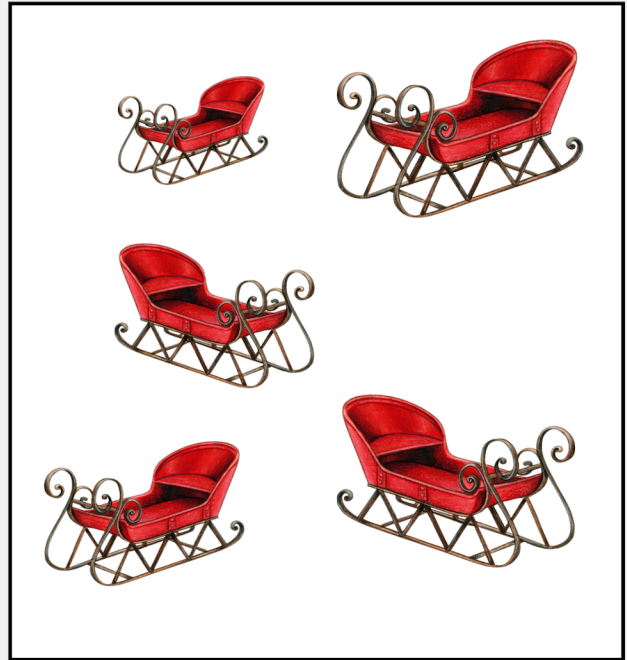

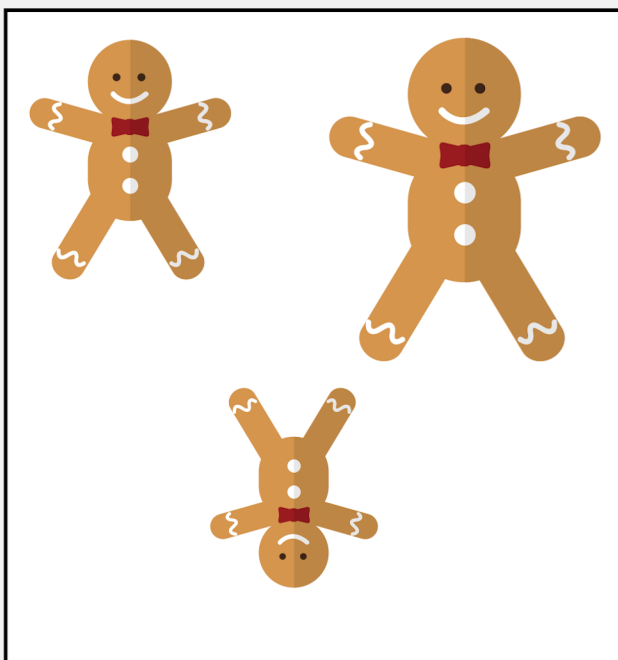

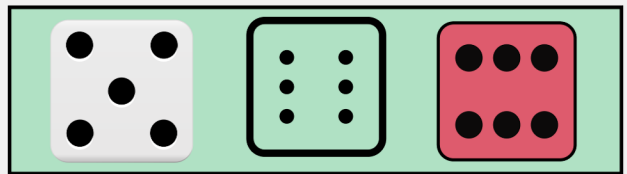

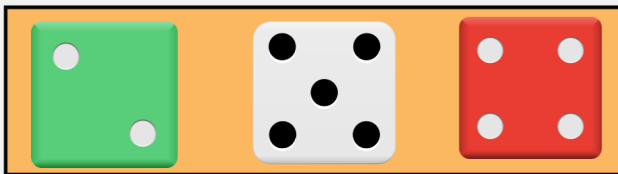

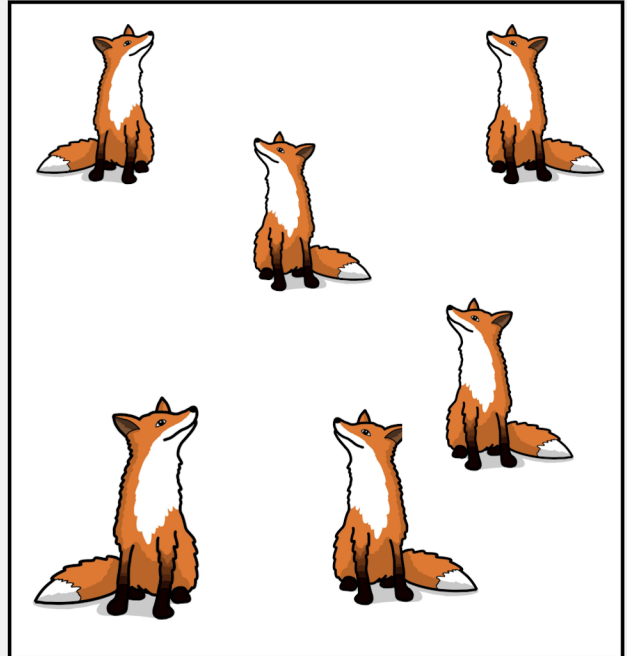

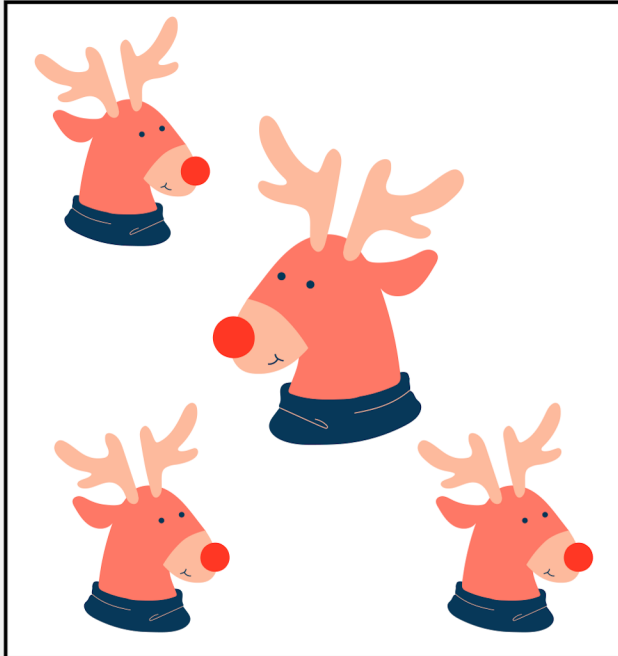

[.....,]

Számold meg, hányat látsz!

Tapsolj is annyit, amennyit számoltál!

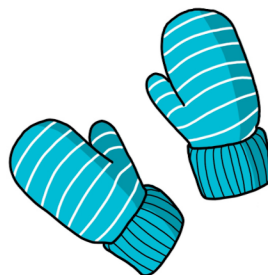

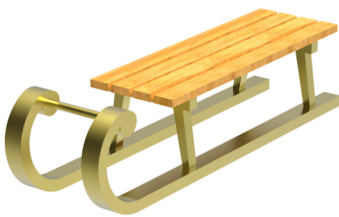

Figyelj, van, ahol 2 helyes megoldást találsz!

Óóó..., de ügyes vagy!

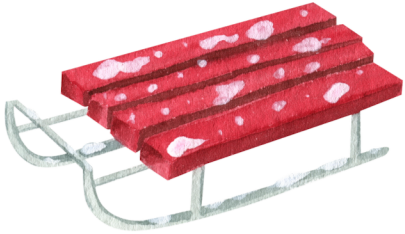

Nevezd meg a képeket!

Melyik szó végén hallod az "Ó" hangot?

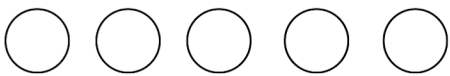

szavak: hó, manó, szánkó, télapó, eső, felhő, fenyő, kesztyű

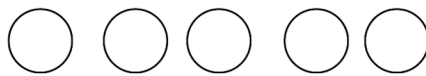

**Szótagolj, tapsolj, számolj! Színezz ki annyi kört a képek
alatt, ahányat tapsoltál!**

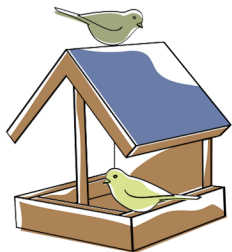

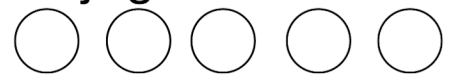

szánkó

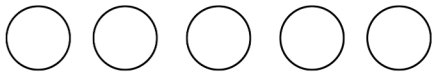

hóember

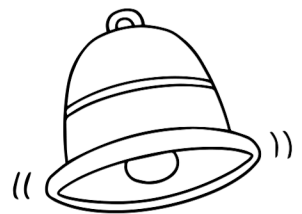

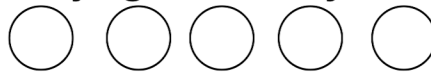

jegesmedve

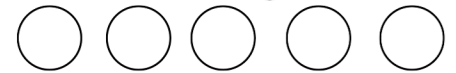

madáretető

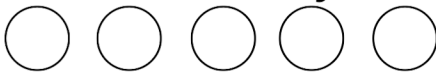

jégkorcsolya

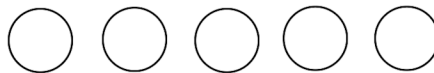

csengő

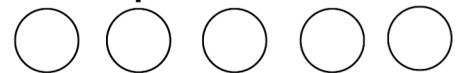

karácsonyfa

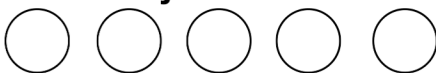

sál

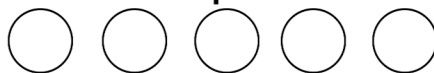

pulóver

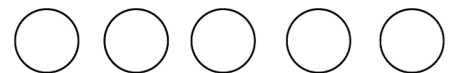

ajándék

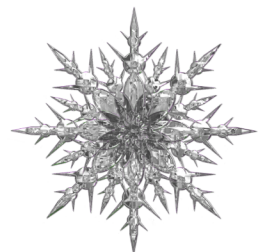

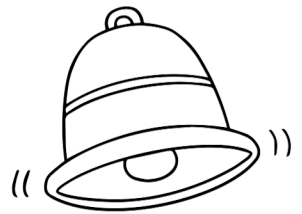

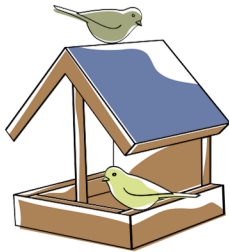

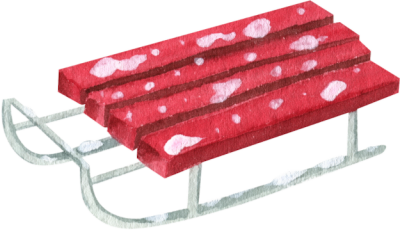

sapka

hópehely

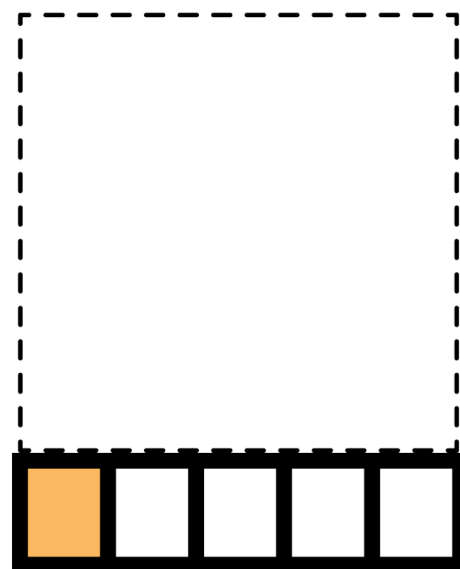

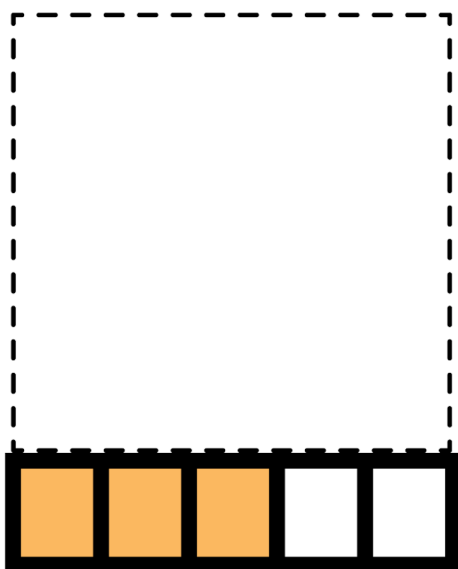

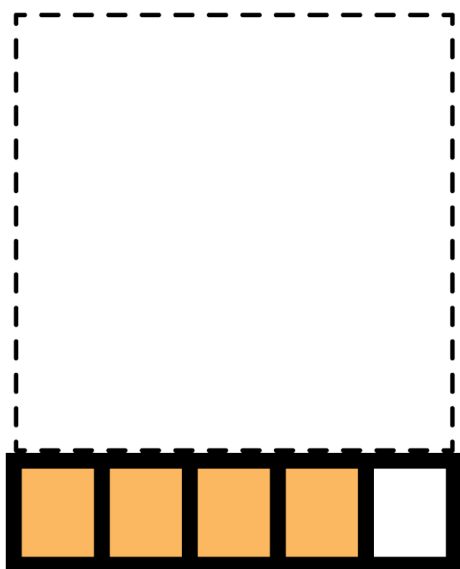

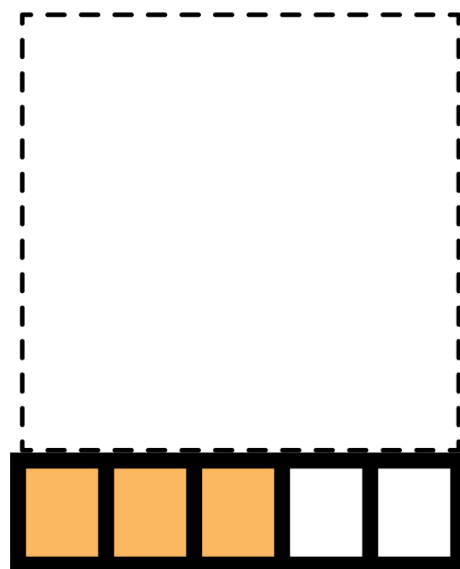

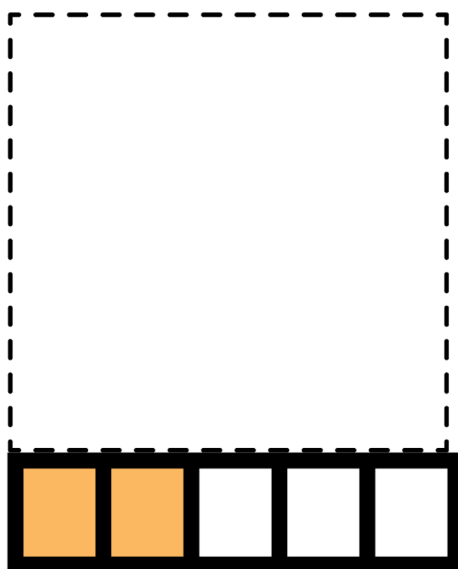

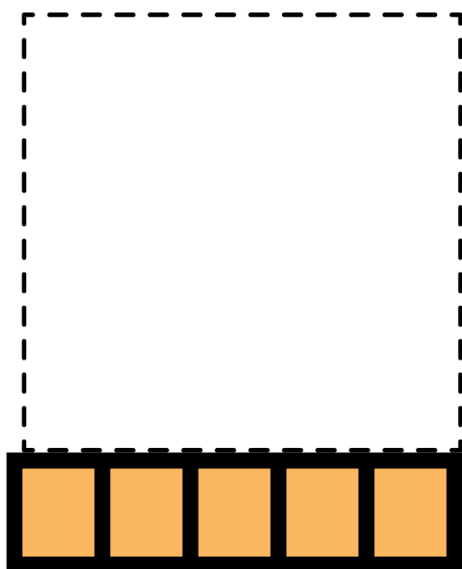

Vágd ki a képeket!

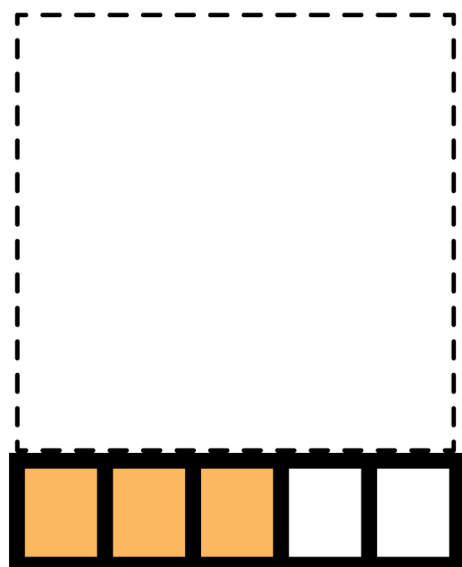

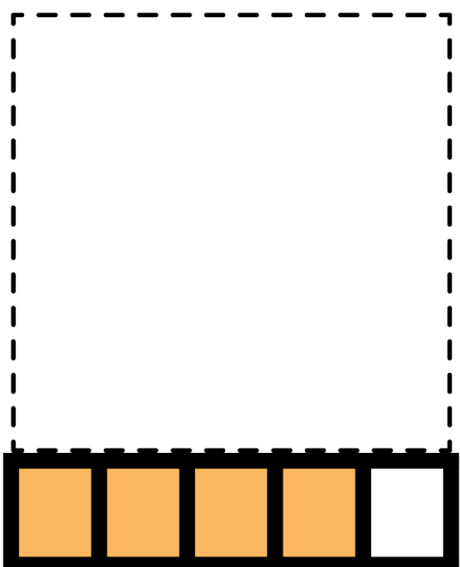

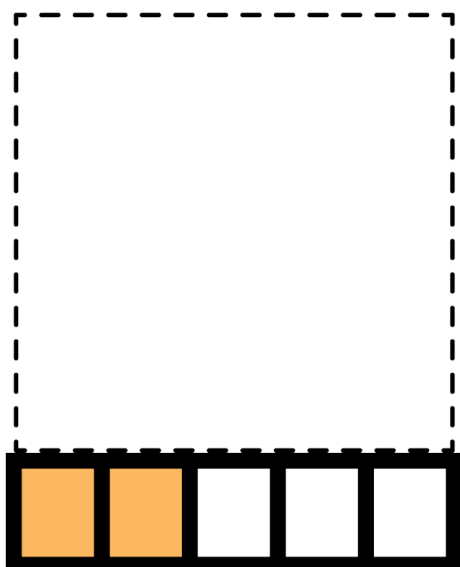

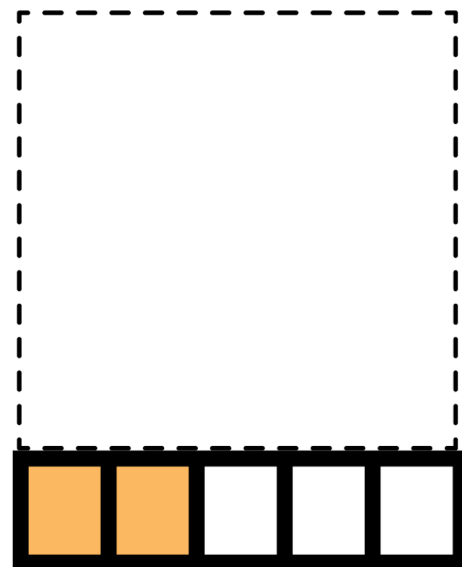

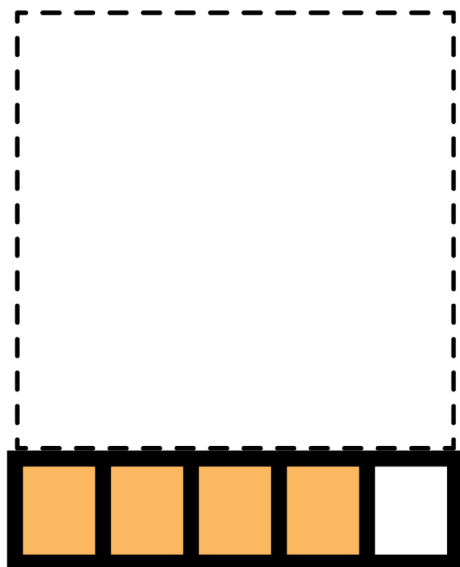

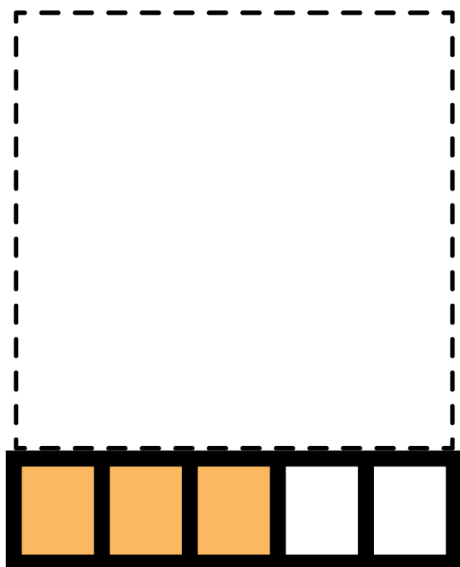

A kivágott képeket ragaszd a megfelelő helyre ezen és a következő oldalon! Annyi kis négyzetet színeztem ki, ahányat tapsolsz, amikor szótagolsz.

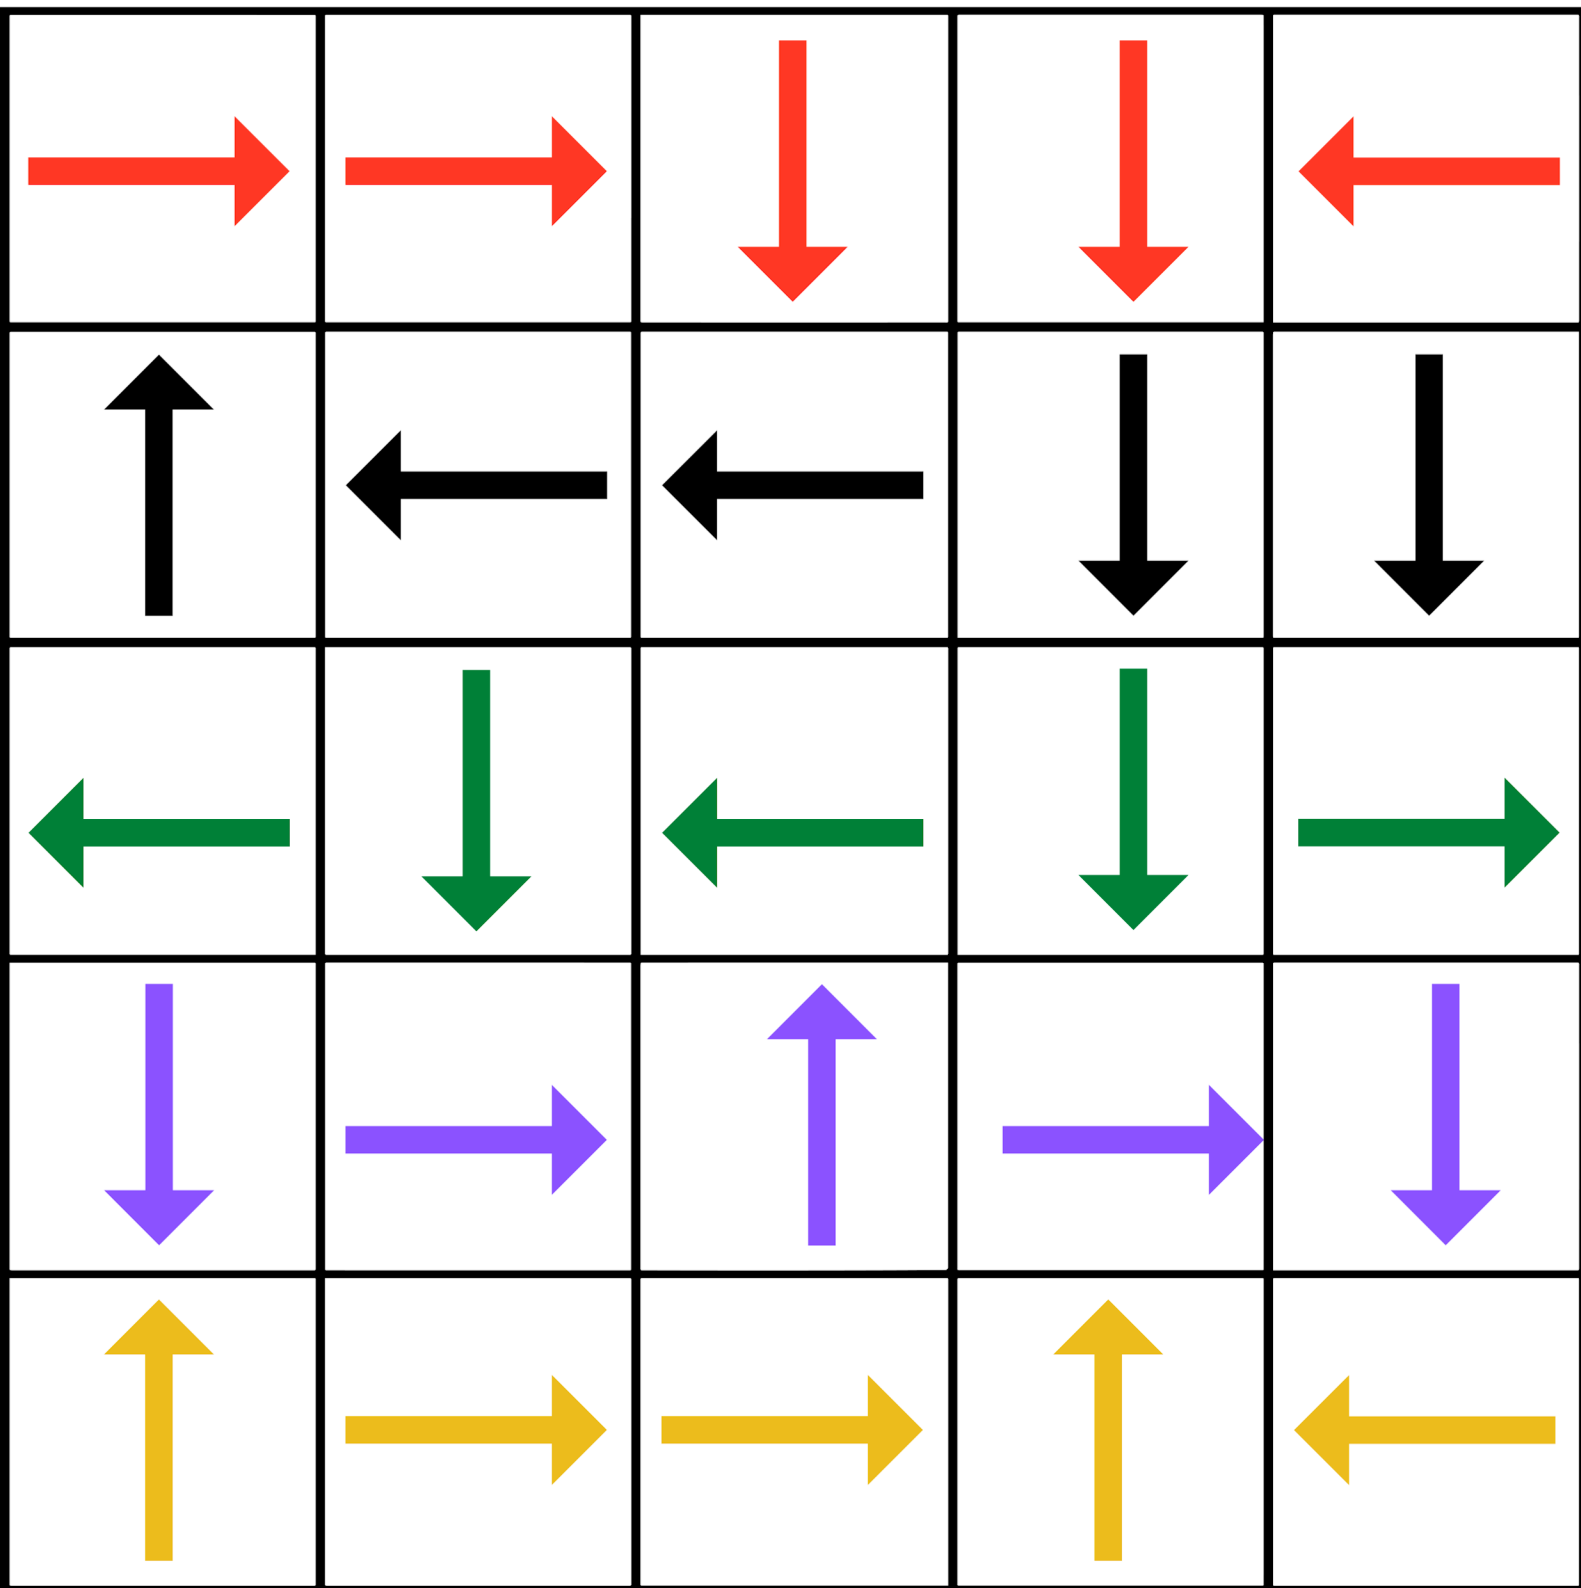

A kivágott képeket ragaszd a megfelelő helyre!
Annyi kis négyzetet színeztem ki, ahányat tapsolsz,
ha szótagolsz.

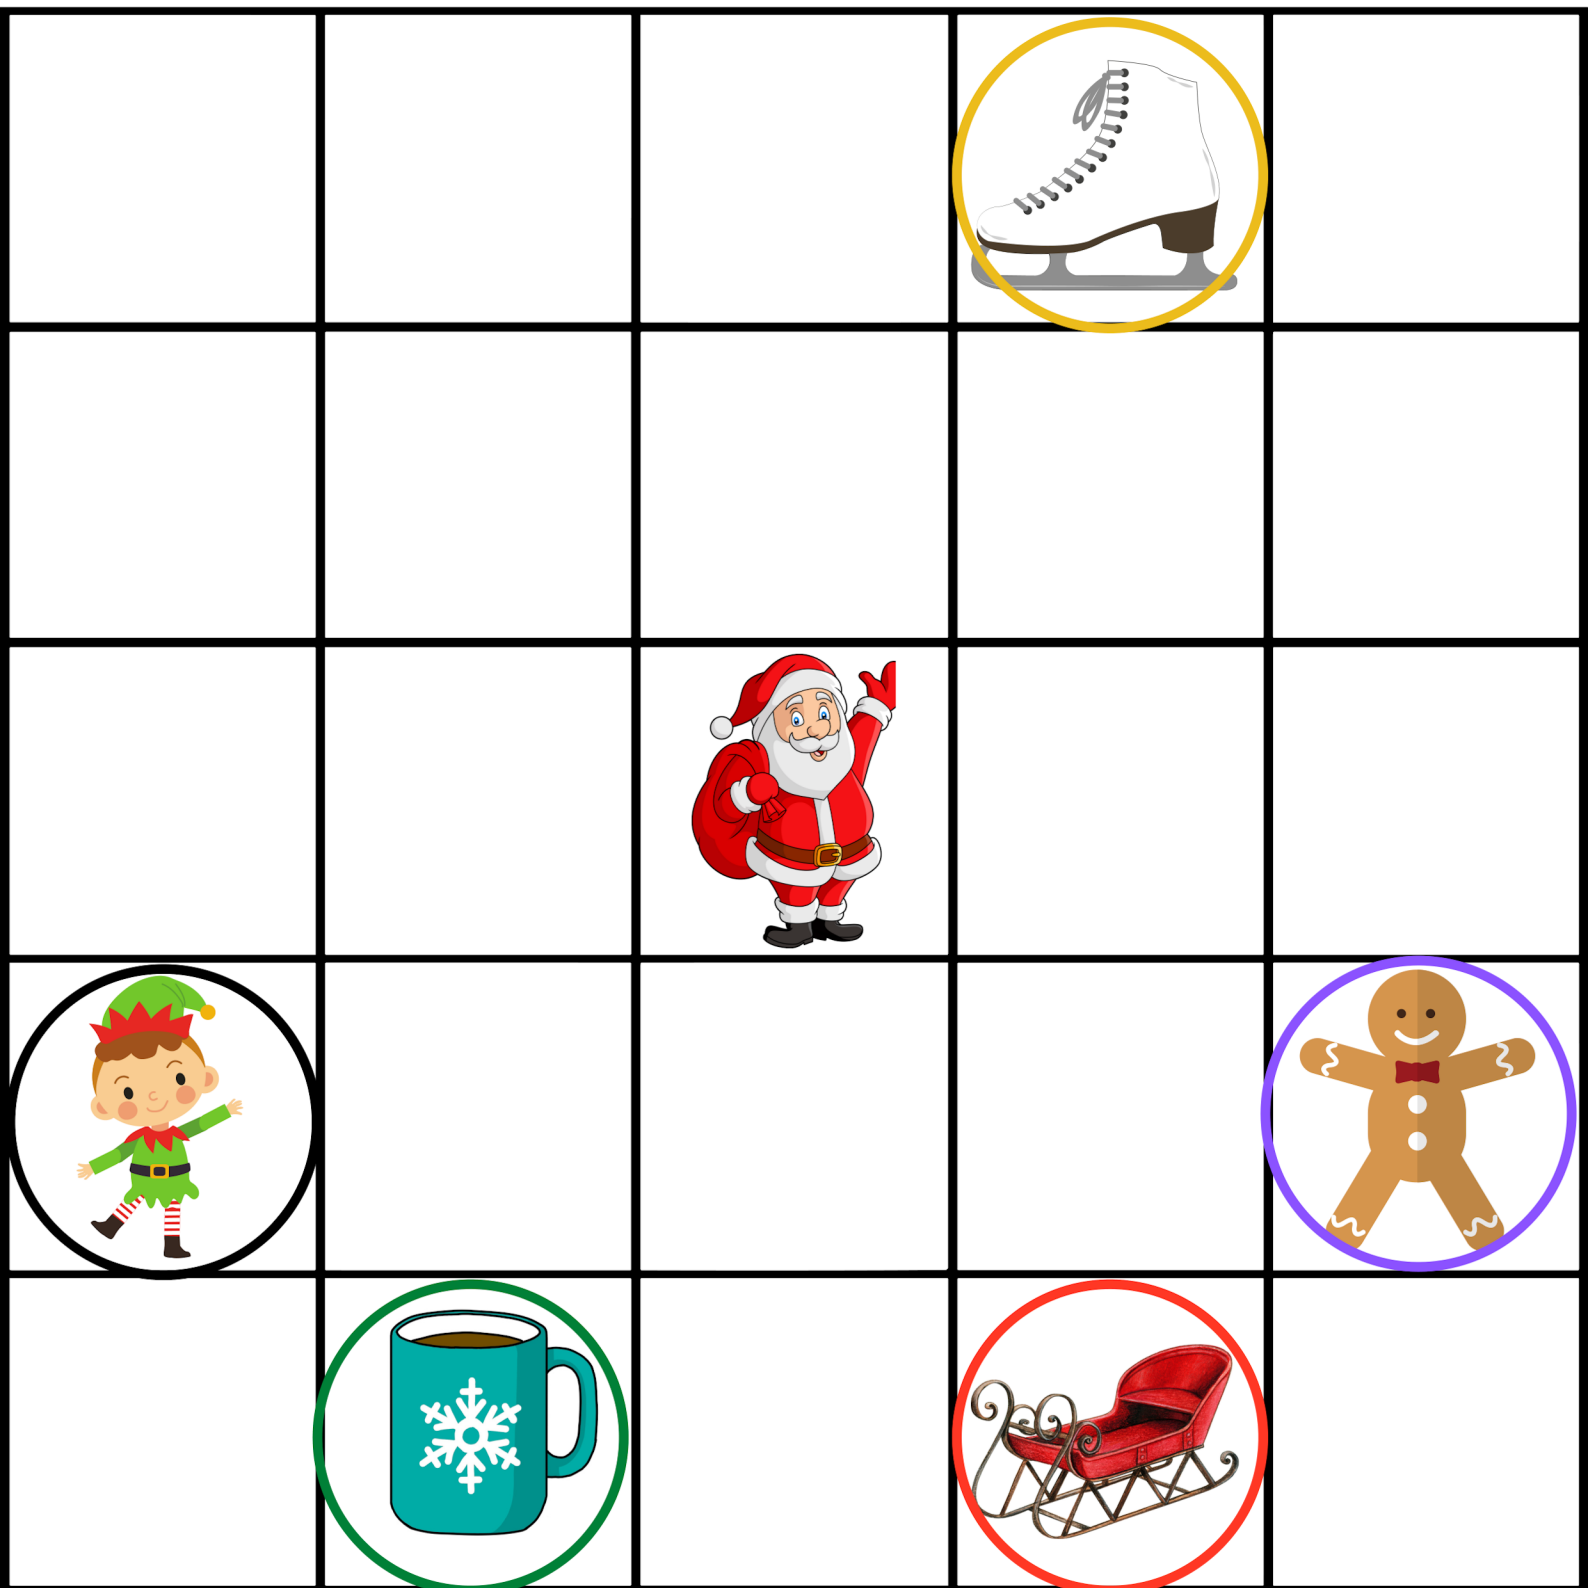

Mindig a télapótól indulj! A következő oldalon találd az útvonalakat. Haladj soronként a nyilak szerint! Hova jutottál? Miközben lépkedsz, hangosan nevezd is meg az irányokat!

A télapóról indulj minden sorban, és haladj a nyilak szerint!

Mutatom a megoldásokat!

**Rajtad a sor! Rajzold le nyilakkal és mondd is el, hogy
jutsz el a télapótól a képekig!**

Több útvonalat is tervezz mindegyik képhez!
