

Brumm-brumm Brúnó

Koppants, dobbants, integess, tapsolj!

Milyen színű a maci sálja? Egyik kezeddal a színes körökön lépegetsz fentről le, másikkal mutatsz a macit!

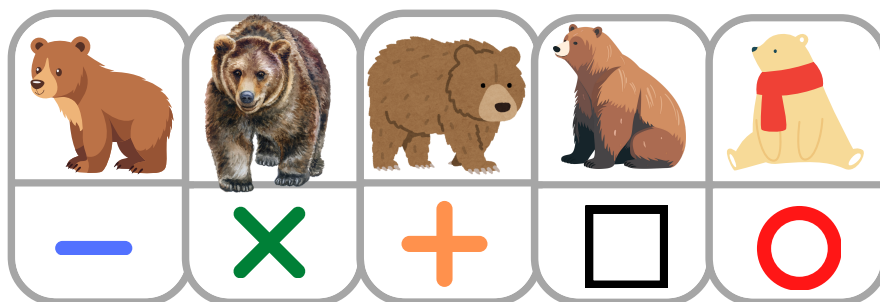

Merre néz a maci?

Fordítsd a fejed, emeld a kezed, és nevezd is meg az irányt!

Rajzold a megfelelő jeleket a macik alá! A színre is figyelj!

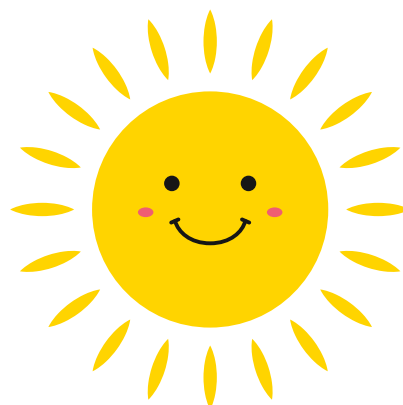

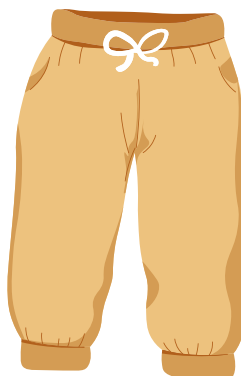

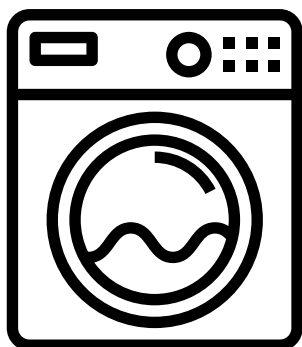

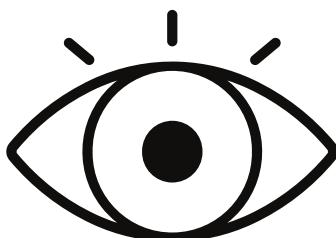

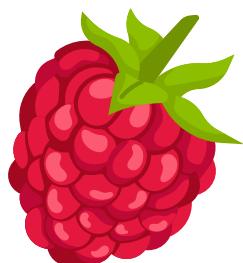

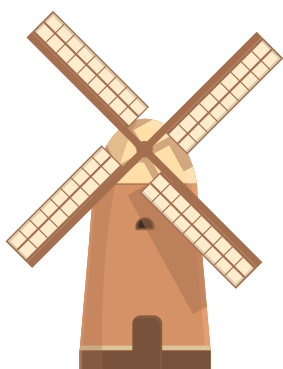

Mit hallasz a medve szó elején? Nevezd meg a képeket!

Melyikben hallod a “m” hangot? Azt is meg tudod mondani, hol hallod (elején, benne/közepén, végén)?

Lehet, hogy nem is csak 1-szer hallod?

Szavak: malom, barlang, méz, málna, szem, kanál, mosógép, nadrág, nap

Ülj le, állj fel, szökkenj!
